

HOW TO REGISTER ON DEVFOLIO FOR CODEUTSAVA 6.0

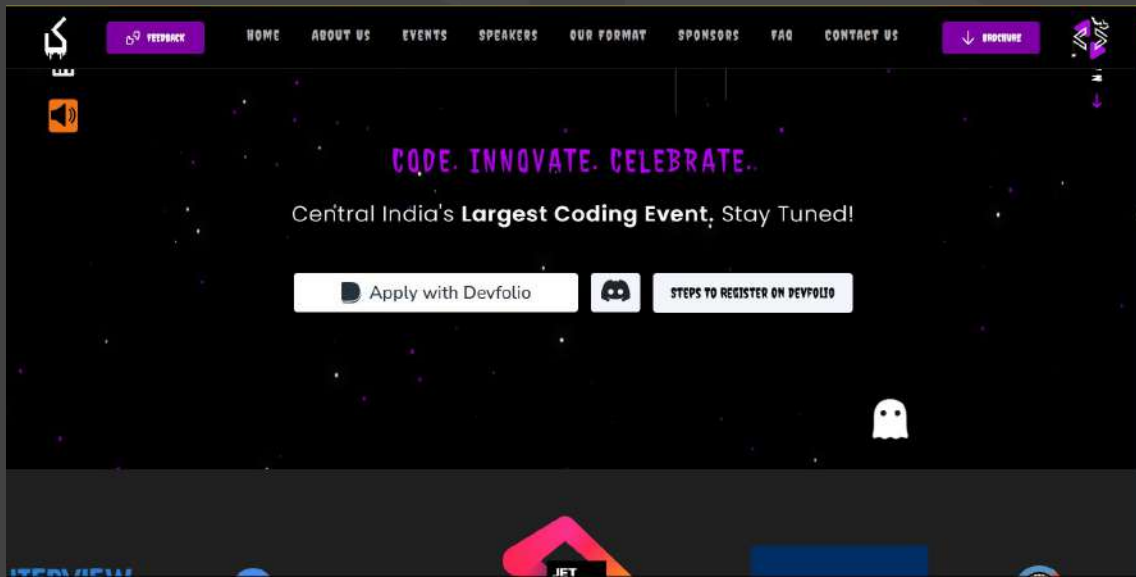

STEP 1 : Go to <https://codeutsava.nitr.ac.in/>

STEP 2 :

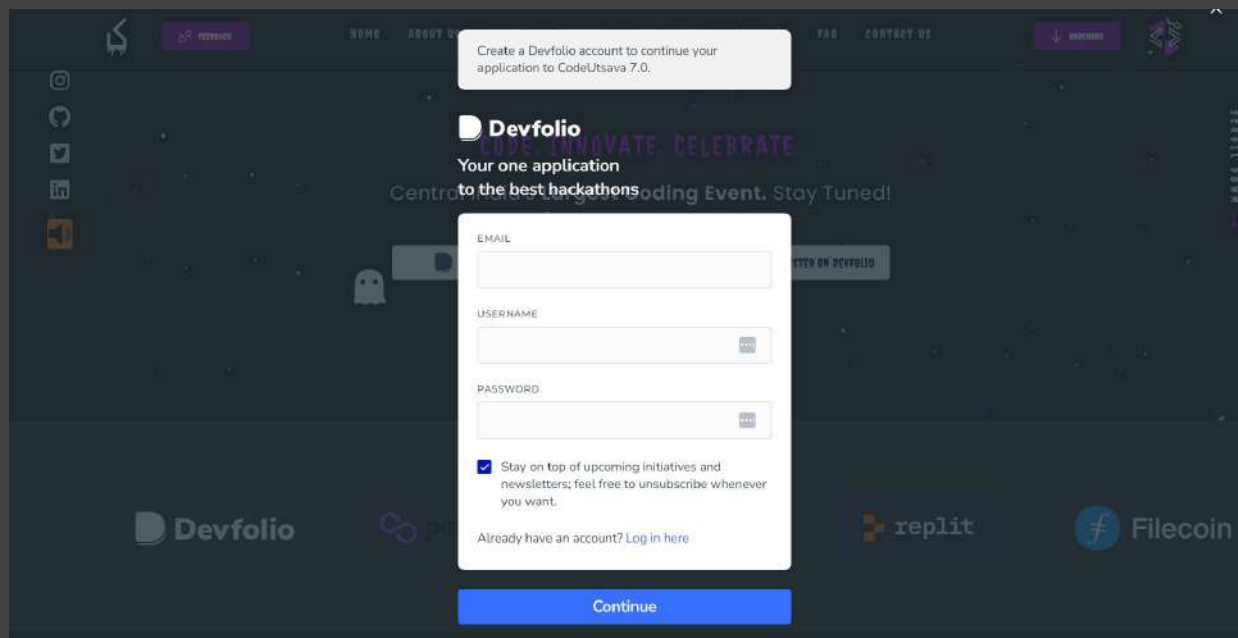

Click “Enter” button

STEP 3 :

Click “Apply With Devfolio” button

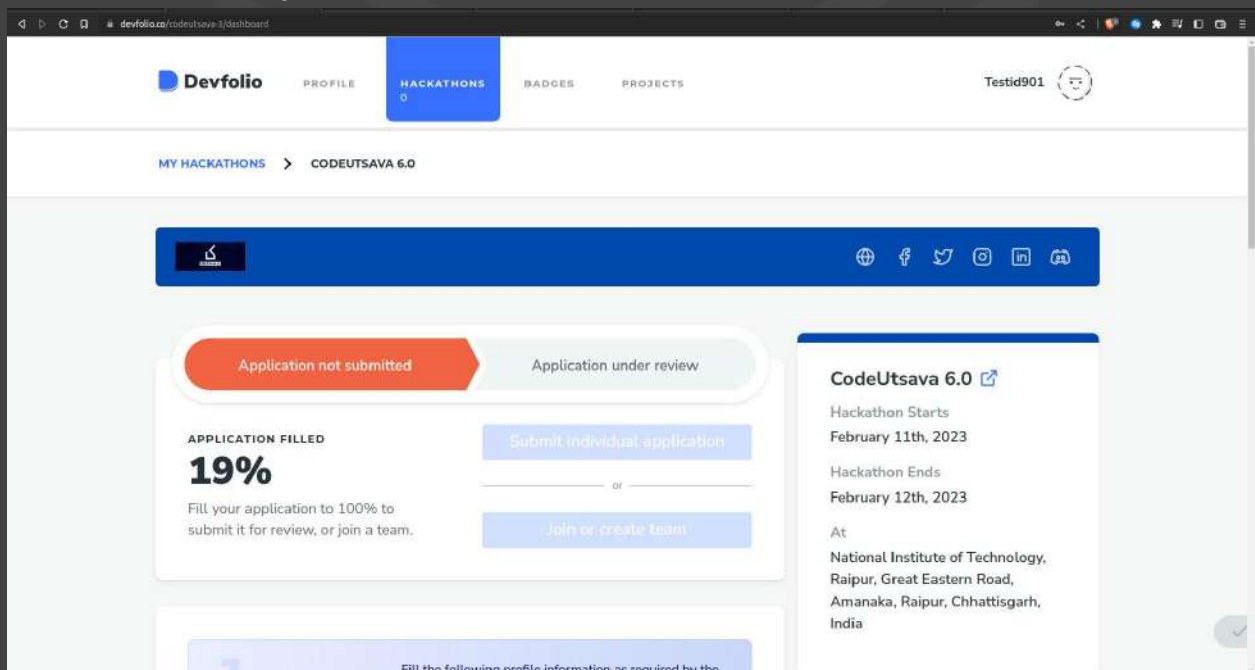

STEP 4 :

The screenshot shows the Devfolio registration form. At the top, a message says "Create a Devfolio account to continue your application to CodeUtsava 7.0." The form has a title "Devfolio" and a subtitle "Your one application to the best hackathons". It contains three input fields: "EMAIL", "USERNAME", and "PASSWORD". Below these fields is a checkbox labeled "Stay on top of upcoming initiatives and newsletters; feel free to unsubscribe whenever you want." and a link "Already have an account? Log in here". A blue "Continue" button is at the bottom.

A Pop-Up Form will appear. To Register on Devfolio, Enter your Email-Id, Username and Create a Password. Click “Continue” button

STEP 5 : Devfolio page will open and will look like this:

The screenshot shows the Devfolio dashboard. The top navigation bar includes "Devfolio", "PROFILE", "HACKATHONS", "BADGES", and "PROJECTS". The user's name "Testid901" is displayed. The main content area shows "MY HACKATHONS" and "CODEUTSAVA 6.0". A progress bar indicates "Application not submitted" and "Application under review". A section titled "APPLICATION FILLED" shows a progress bar at "19%" with the text "Fill your application to 100% to submit it for review, or join a team." and buttons for "Submit individual application" and "Join or create team". A sidebar on the right provides details for "CodeUtsava 6.0", including the start and end dates (February 11th and 12th, 2023) and the location (National Institute of Technology, Raipur, Great Eastern Road, Amanaka, Raipur, Chhattisgarh, India).

A screenshot of the CodeUtsava 6.0 profile completion page. The page is divided into two main sections. The left section is titled "1" and contains a progress bar with five circles, the first four of which are filled. Below the progress bar are four input fields: "CITY" (Raipur), "PHONE NUMBER" (+91 - 987654312), "EMERGENCY CONTACT NAME" (Test Id 2), and "EMERGENCY CONTACT NUMBER" (1234567890). Below these fields is a "VERIFY YOUR EMAIL" section with a message: "Clicking 'Verify' will send a 6 digit verification code to your email. You can also edit your email and request a new verification code." Below this message is an "Email" field with the value "aniketedit123654@gmail.com" and a "VERIFIED" button. The right section is titled "APPLICATION FILLED" and shows a progress bar with a value of "86%". It contains a message: "Fill your application to 100% to submit it for review, or join a team." Below this message are two buttons: "Submit individual application" and "Join or create team".

Press **“Next”** button

STEP 14 :

The screenshot shows the 'Application Filled' status with a 100% completion indicator. The form is divided into two main sections. The top section contains a 'VERIFIED' badge, an 'Edit' button, a 'Previous: Links' button, a progress bar with five circles (the last one is active), and a 'Next' button. The bottom section is titled '2' and contains a message from CodeUtsava 6.0 organizers. Below this, there are two input fields: 'College Name *' with the value 'NIT Raipur' and 'Team Name *' with the value 'Team Avatar'. To the right of the form, there is a sidebar with the text 'Application not submitted', 'APPLICATION FILLED 100%', and instructions to submit an individual application or join a team, with buttons for 'Submit individual application' and 'Join or create team'.

Scroll Down and Enter College Name & Team Name

STEP 15 : Scroll Up and Click “Next” button

STEP 16 : This Screen would Appear :

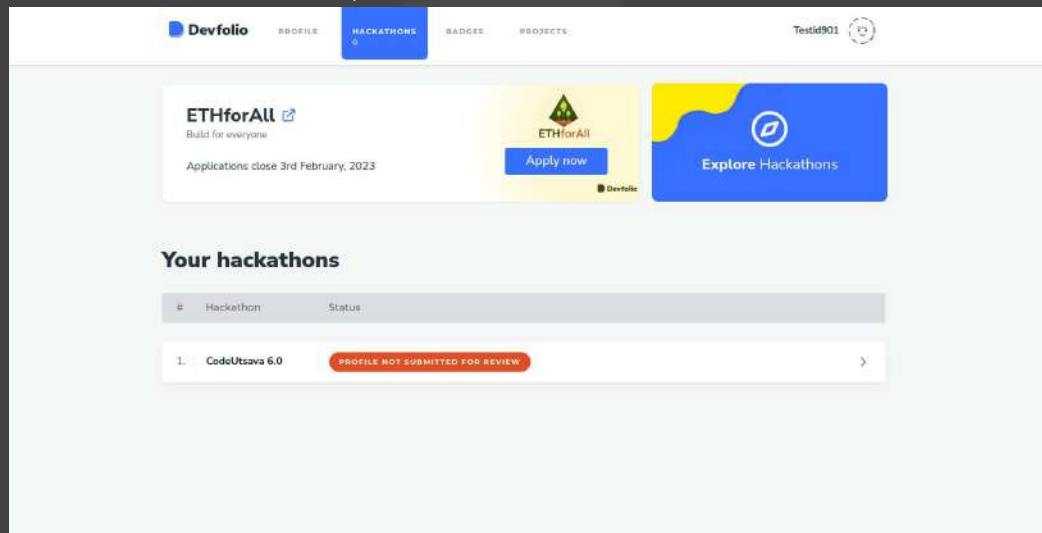

The screenshot shows the 'Application under review' status. The form is divided into two main sections. The top section contains a 'Back' button, a message about team submission, and two input fields: 'TEAM NAME' and 'TEAM CODE'. Below these, there are two buttons: 'Create team' and 'Join Team'. To the right of the form, there is a sidebar with the text 'CodeUtsava 6.0', 'Hackathon Starts February 11th, 2023', 'Hackathon Ends February 12th, 2023', and the location 'At National Institute of Technology, Raipur, Great Eastern Road, Amanaka, Raipur, Chhattisgarh, India'.

STEP 17 : If you are the **'Leader'** of your team, Enter Team Name and Click **"Create Team"** button. A Code would be generated. Copy the Code and send it to all your Teammates and Tell them to register on Devfolio.

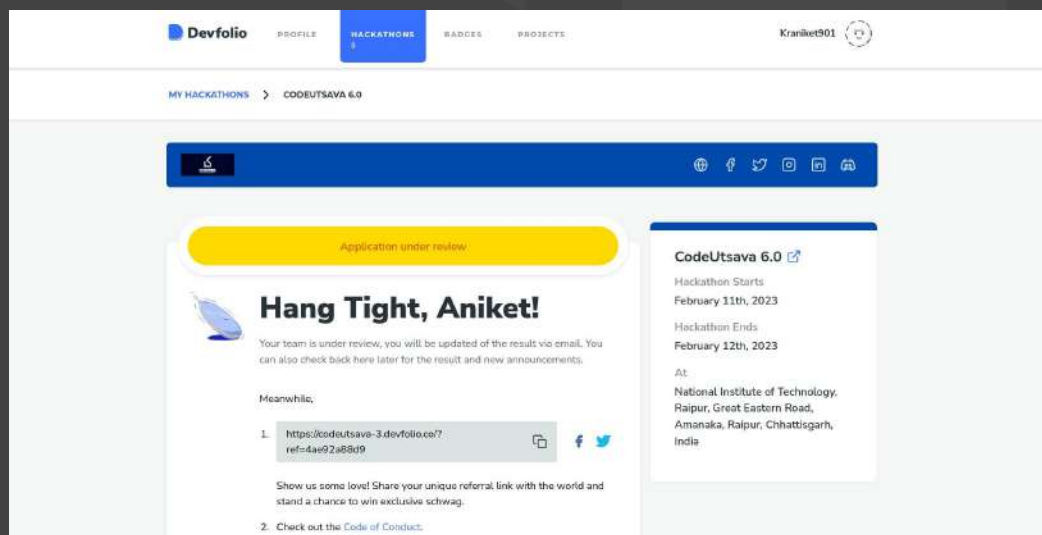

If you are **NOT the 'Leader'**, Paste the Code given by your Team Leader in the Team Code box. Click **"Join Team"** button

STEP 18 : After the Devfolio registration of all the teammates, Leader can Submit the form for review.

If the form is not submitted, This will be shown:

If it is Submitted, This would be shown:

Wait until the reviewing process is completed. If your team would be shortlisted, you would receive an email.

All the Best !!
Team TCP
